A screenshot of the Eno Centennial Institute mobile application interface. The interface is split into three main sections: a left navigation panel, a top header, and a main content area. The left panel contains a search bar and a list of menu items including Overview, Welcome Center, Agenda, Pre-Event Poll, Announcements, Attendees, Networking Lounges, Solutions Forums, Speakers, Social Wall, Choose Roundtables, Eno Library, Follow Us, and Game On! Below these are sections for Home, Connections, and Messages, each with an icon. At the bottom of the panel is a user profile icon. The top header is blue and says "Overview" on the right. The main content area features a large blue banner with an illustration of an airplane, trees, and a bus. Below the banner is a post from "Eno Centennial Institute" dated "Sep 15 - 23, 2021". The post text reads: "Throughout the COVID pandemic, Eno has been a trusted source of information and ideas. In May 2020, we launched our popular Road to Recovery webinar series to help professionals navigate a once in a lifetime pandemic. Now, through the Centennial Institute, we're looking toward the next stop: the NEW NORMAL, and we are excited to explore what it means for you and the transportation industry over the course of this Institute." Below the text is a call to action: "Get started in the Welcome Center to see an overview of what to expect and get tips to get the most of your Institute experience!". At the bottom of the main content area, there is a "LEARN SPONSORS" section with the "wsp" logo and a "Thank you!" message, and a footer that says "Powered by SOCIO".
